UNDER CONTROL: GOVERNANCE ACROSS THE ENTERPRISE (PAPERBACK)

[DOWNLOAD](#)

Springer-Verlag Berlin and Heidelberg GmbH Co. KG, Germany, 2010. Paperback. Condition: New. 1st ed.. Language: English . Brand New Book ***** Print on Demand *****.With the economic crisis that began in 2008, a long-standing trend toward increased regulation is becoming a flood. The clamor for improved enterprise risk management and the complexity of multinational compliance present executives with a dramatically new array of challenges. Governance should offer solutions, but it is clear that yesterday s governance practices aren t up to the task. In both design and implementation, they are too disconnected and incomplete to fully address our complex compliance and risk management puzzle. Executives get only fragmented views of their true business performance, and inefficiencies drive up costs. The consequences of inadequate governance were demonstrated in the economic meltdown of 2008. As the world struggles to recover from that crisis, business is now faced with a confusing array of evolving regulations, the challenge of managing compliance across multinational organizations and a new imperative for risk management that is coordinated across the enterprise. It s clear that yesterday s governance practices don t meet today s need for centralized controls, integrated compliance and risk management and greater transparency. The need for organizations to change-and change now-is clear. Under Control captures decades of business governance experience from many of the leading authorities at CA, Inc. This book sets out not only to explain the essential challenges of effective business governance, but to help you build solutions for your organization based on lessons learned at CA from its customers and in its own corporate structure. From governing the organization s policies as a whole instead of in silos, to a department-by-department look at the role and impact of governance, to governing your green initiatives, to the role of the board of directors,...
