She was a grown woman and a successful prosecutor, yet Connor Rafferty's raffish greeting made Allison Whittaker feel like that privileged teen he'd hauled from a blue-collar bar years before. It seemed that her family had employed the security tycoon's services to safeguard her from recent death threats. Well, she could take care of herself. It was his kiss she could hardly handle. His barely restrained ardor should have been her warning never to let him move into her home, mere footsteps from her bedroom. After all, he'd featured prominently in her fantasies, even though he'd resisted being anything other than brotherly toward her. Until now. When neither of them could afford to be distracted.

Reviews

A top quality ebook and the typeface used was interesting to read through. It is rally intriguing throug reading through period. You wont feel monotony at anytime of the time (that's what catalogues are for relating to when you ask me).

-- Estelle Donnelly

It in a of my personal favorite book. It is writter in easy terms and never hard to understand. Its been designed in an exceedingly easy way and it is only after i finished reading this publication by which in fact changed me, change the way i think.
