CARTWHEEL BOOKS, 2014. Paperback. Condition: New. Language: English . Brand New Book. A hilarious school story that explores all the possible places your homework might be hiding! When a young boy s homework goes missing, who is to blame? Of course the aliens beamed it up, or perhaps the pirates plundered the pages, or maybe the wicked witch turned his homework into a frog! Or did a dog actually eat it? With a vivid imagination and hilarious art style, Michael Garland hits all the right notes in this wonderful back-to-school story.
