It is often a gradual process in the last leg of our earthly life, and it is a transitory passage to the great beyond: eternal glory. It s one thing to grow old, but it s another to age gracefully in joy. In *The Joy of Graceful Aging*, author Obinna Akpata encourages older people to live beyond the challenges of old age, and the youths are encouraged to respect their elders for a reward of divine grace. Rooted in biblical theology, Obinna discusses the emotional, social, and physical aspects of well-being for the elderly population. He examines the challenges that confront those who wish to live a normal life at old age. *The Joy of Graceful Aging* acknowledges that aging has its hopes, its loves, its thrills, and resonating moments, and that those who live the purpose-driven life have nothing to fear. They can walk in divine health with positive faith, righteousness, trust, and obedience.
