North Star Way, 2018. Hardback. Condition: New. Language: English . Brand New Book. Erin Falconer, editor in chief and co-owner of the highly respected self-improvement site Pick the Brain (with over 1.8 million monthly page views), shows overscheduled, overwhelmed women how to do less so that they can achieve more. Women live in a state of constant guilt: that we re not doing enough, that we re not good enough, that we can t keep up. If we re not climbing the corporate ladder, building our side hustle, preparing home-cooked meals, tucking the kids in at night, meditating daily, and scheduling playdates, date nights, and girls nights every week, we feel like we re not living our best lives. Yet traditional productivity books--written by men--barely touch the tangle of cultural pressures that women feel when facing down a to-do list. Finally, in the first productivity book by a woman in a decade, Erin Falconer will show you how to do less--a lot less. In fact, How to Get Sh*t Done will teach you how to zero in on the three areas of your life where you want to excel, and then it will show you how to off-load, outsource, or just stop giving a damn about the rest. As the founder of two technology start-ups and one of Refinery29 s Top 10 Women Changing the Digital Landscape for Good, Erin has seen what happens when women chase an outdated, patriarchal model of productivity, and in How to Get Sh*t Done she shows how even the most perfectionistic among us can tap into our inner free spirit and learn to feel like badassess, rather than drudges. Packed with real-life advice, honest stories from Erin s successful career, and dozens of actionable resources, How to Get Sh*t Done will forever reframe productivity...
