

Centos 7.3 Linux Server Guide (Paperback)

By Gregory Blake

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a guide on how to use the CentOS 7.3 Linux server. After reading it, you will appreciate the power of this server and how much you can achieve with it. It begins by guiding you on how to install this server on your computer and do all the necessary configurations before beginning to use it. These steps have been discussed sequentially from downloading and burning the ISO image to a DVD to the time of login into the server after a successful installation. You will also learn how to create new users even with root privileges in the server. Memory is very important for any server, and especially when it comes to the distributed kind of memory. This book guides you on how to setup Memcached on your CentOS 7.3 Linux server. Nginx is an efficient web server which can be used to substitute the common Apache web server, and it will offer a nice performance. This book guides you on how to set this up in your CentOS 7.3 Linux server. You are also guided on how to...
