## LES ORIGINES DU CAPITALISME MODERNE (PAPERBACK)

Omnia Veritas Ltd, Ireland, 2015. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Dans cette esquisse, nous ne nous sommes nullement propose d ecrire une histoire generale du capitalisme. Nous avons encore bien moins eu le dessein de tenter un essai sociologique. La sociologie, en effet, ne tient qu un compte secondaire de l espace et du temps; elle a surtout pour objet de decrire l organisation des societes in abstracto. Or, pour nous, les deux facteurs, temps et espace, sont essentiels, car c est surtout l evolution de phenomenes economiques que nous etudions, et dans des regions bien determinees. L economie politique se propose d etudier les lois de la production, de la distribution et de la consommation des richesses, sans tenir un compte trop etroit des contingences, bien que l idee d evolution la penetre peu a peu et qu elle ait de plus en plus recours aux donnees de l histoire . Or, l histoire doit s occuper tout particulierement de ces contingences. Ce qui ne veut pas dire que nous n ayons pas tire grand profit de la frequentation, des sociologues et des economistes. Ils s attachent surtout a l observation de la societe contemporaine. Mais l historien, pour comprendre le passe, a besoin de connaitre le present et de s en rendre compte. Si nous n avions pas sous les yeux une societe, regie en grande partie par l organisation capitaliste, l idee ne nous viendrait pas d en etudier la genese.
