Reviews

The ideal pdf i at any time read. I am quite late in start reading this one, but better then never. You will like the way the author create this book.

(Eliane Bednar)

CREATURES OF CREATIVELAND

Postcard book or pack. Book Condition: New. Not Signed; A murder of crows. A crash of rhinos. Why is it that animals got all the fun collective nouns? For too long the humble creative folk of office land have sat there silently, letting the animal world revel in linguistic glory. Well, enough is enough. At long last we have a comprehensive taxonomy that does justice to the various subspecies of the creative workforce. This postcard book contains 20 cards that visualize the tribes of the creative class, like a panic of Account Managers, a feast of Freelancers, a rant of copywriters, a miracle of Female Bosses, a gibberish of Technologists, a gloom of Developers, and so forth. book.
