Along with learning to count from 1 to 10, in these charming pages children and their adults can explore the many ways people decorate their bodies. With its fun pictures and words, the book is a simple way to start talking about accepting differences, from piercings to tattoos. The illustrations are inspired by traditional tattoo designs as well as not-so-traditional body modification styles. Introducing children to a culture that's rarely displayed in other materials, this is a perfect resource for early childhood educators, parents, and all adults who value diversity.
