

The Horse for Work or Pleasure: With Chapters on Feeding, Management, Diseases, and Accidents (Classic Reprint) (Paperback)

Filesize: 3.81 MB

Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

(Dr. Deonte Hammes DDS)

THE HORSE FOR WORK OR PLEASURE: WITH CHAPTERS ON FEEDING, MANAGEMENT, DISEASES, AND ACCIDENTS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Horse for Work or Pleasure: With Chapters on Feeding, Management, Diseases, and Accidents The increasing interest manifested in the breeding and rearing of live stock and in the other branches of farming has induced the publishers to prepare a number of cheap volumes, under the title of Vinton s Country Series, which are intended to afford elementary information on the various subjects dealt with. These, it is hoped, will be found useful to those who have not studied the subjects in more exhaustive treatises, and will lead them to seek for further guidance and instruction in such works as Morton s Handbooks of the Farm, and the Live Stock Handbooks, also issued by them, and in which fuller information can be obtained. On small holdings as well as on larger farms a more diversified system is now necessary, crops and live stock having to be carefully managed if the enterprise is to result in profit. It is therefore essential that the best practice should be studied, and in these little books the various breeds of stock are described and their character and capabilities indicated, while brief hints on management are given. The present series deals with horses, cattle, sheep, pigs, goats, and volumes also treating of dogs, poultry-keeping, bee-keeping, and many other rural topics, such as butter and cheese-making, market-gardening, etc., will be taken up in turn.
