Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This little exposition of the Prophecies of Zechariah was written almost 15 years ago. We are thankful to God that it has been a help to so many. The sixth edition has been sold and a seventh has become necessary. We were somewhat reluctant to print another edition. When this book was written the writer did not at all have a clear vision in the prophetic Word concerning the great predicted end events of the times of the Gentiles. Like so many others he did not distinguish between the personal Antichrist and the King of the North. He then held the view, which is still taught by many, that the first beast in Revelation xiii is the personal Antichrist. This belief led into incorrect views about that part of Revelation. A. C. Gaebelein.
