Dorling Kindersley Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. A fun introduction to computer programming for kids Carol Vorderman takes kids step-by-step through the basics of computer programming and how to work with code, the language of the future. Speaking to a global movement to teach children to code, this Python programming workbook breaks down key concepts into small, easy-to-understand parts. Your child is encouraged to practise copying code into the workbook so their new computer literacy sticks. A playful, hands-on approach that enhances other cognitive benefits such as skills in problem solving and abstract thinking. Computer Coding Made Easy is a great starting point for understanding code, learning how to program, and practicing computer language, for fun or for the future.
