By Anthony Meredith, Gordon Blackwell

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, Silverstone's First Grand Prix: 1948 the Race on the Runways, Anthony Meredith, Gordon Blackwell, It was madness: Grand Prix drivers racing flat out from opposite ends of two long runways, only to turn away from each other at the last moment at corners improvised with hay bales. We follow the various leading participants, both drivers and organisers, as fate draws them inexorably to Silverstone from different parts of the world and from very varied experiences, not least in the recent war. And after that...

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication I have gone through. I realized this ebook from my dad and he suggested this publication to learn.

The best publication I actually study. I actually have studied and so I am confident that I am going to likely study once more yet again later on. You will not sense monotony at any moment of your respective time (that's what catalogs are for relating to if you ask me).
