lulu.com. Paperback. Book Condition: New. Paperback. 80 pages. Dimensions: 10.6in. x 8.1in. x 0.5in. This is the American edition of Grammar and Vocabulary Games for Children. It is a resource book for teachers and home-schooling parents who want to make their children's grammar and vocabulary lessons fun. Grammar, punctuation, phonics, vocabulary and proverbs are all presented in the form of fifty active games. At the end of a formal lesson, these activities can be given as a reward for hard work, or to reinforce the topic just studied. For restless children who need to stretch their legs and let off steam before they knuckle down to further work, the games presented in this book provide the perfect solution. Several of the vocabulary games are designed to help ESL students to practice their new words, and all the games encourage children to listen, concentrate and stay focused on the topic of study. The activities are aimed at children between the ages of 7 and 13 years. Grammar lessons and vocabulary building will never be boring when children are offered the games in this book. This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that I am sure that I am going to go through once more again in the future. I am happy to explain how this is the very best book I have read through in my individual lifestyle and may be the best publication for at any time.
