Bonnie Francis Martin knows all the rules a proper southern girl must follow to keep the family peace, especially when it comes to keeping family business inside the family. But the rules are no help to her when she becomes embroiled in a murder. Reeling from her own traumatic experiences, Bonnie must choose who to trust in a world where no one is who they seem to be. As the police investigation leads to a member of Bonnie s own family, the number of secrets she needs to keep continues to grow. Will her silence cost Bonnie her life? Constance (Cee) Hunter brings her love for her home state, Louisiana, to her writing in Family Secrets. Living in the state from kindergarten through college has given Cee an appreciation for the people, the culture, the food (the recipe for perfect fried chicken is included in Family Secrets), and the natural beauty. Work and family have taken her to other parts of the country, but her fondest memories are of tromping through the piney woods of central Louisiana. You can email Cee at She d love to hear from you.
