Pan MacMillan, United Kingdom, 2013. Paperback. Condition: New. Main Market ed. Language: English . Brand New Book. The fifth volume of memoirs from the author who inspired the BBC series All Creatures Great and Small During his decades spent as a country vet in Yorkshire, James Herriot has seen huge advances in medical science, technological leaps, and a world irrevocably changed by war. Yet some things have always stayed the same - gruff farmers, hypochondriac pet owners, and animals that never do quite what you expect them to. From a green young man in his first job in the 1930s, to an experienced veterinary surgeon, married with two children, James has spent his entire career among the people and animals of Darrowby. And there s nowhere else he d rather be. Since they were first published, James Herriot s memoirs have sold millions of copies and entranced generations of animal lovers. Charming, funny and touching, Every Living Thing is a heart-warming story of determination, love and companionship from one of Britain s best-loved authors.
