SOUTH OF AN UNNAMED CREEK (HARDBACK)

Harbour Publishing, Canada, 1989. Hardback. Condition: New. New.. Language: English . Brand New Book. Anne Cameron writes with uncompromising candidness of the relationships between men and women. Her stories combine wit and gritty realism with a clear sense of the storyteller's art. Quite simply she is willing to venture into uncharted territory and speak of the things she finds there in a voice that is clear and at times unsettling. In *South of an Unnamed Creek*, Cameron once again tackles mostly unexplored material in her quest for a unique feminist perspective on traditional story-telling. This novel focuses on five women from diverse backgrounds who find common ground in the dance halls of the Klondike Goldrush. From the author of *The Journey and Child of Her People*, another unusual and enlightening approach to the frontier tale.
