

Guess What Came to Dinner Parasites and Your Health

By Ann Louise Gittleman

Avery. Paperback. Condition: New. 208 pages. Dimensions: 8.8in. x 5.9in. x 0.6in. Are you having difficulty shaking an illness? Have you been feeling chronically tired and listless? Do you have a health problem your doctor can't identify? The cause may be parasites in your body. If you think that parasitic diseases happen only to people in Third World Countries, think again. The rate of parasite-related disorders in North America is skyrocketing. In this completely revised and updated edition of the most authoritative book on the subject for consumers, renowned nutritionist Ann Louise Gittleman gives the information you need to know to ward off unwelcome organisms. *Guess What Came to Dinner* explains what parasites are, why they are harmful, and how they are spread. Most importantly, she offers tips on creating a parasite-proof diet and lifestyle. *What Came to Dinner* is the indispensable guide to protecting yourself and your loved ones from this hidden epidemic. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

It is a single of my favorite publications. I have read and so I am sure that I will likely to study again once again down the road. I am delighted to let you know that this is basically the greatest publication we have read inside my own life and might be the best pdf for possibly.

-- **Maria Morar**

These types of publications are the greatest publications readily available. It is among the most amazing books I have studied. Your lifestyle span will be converted as soon as you complete reading this pdf.
