

Hijos Invisibles (Paperback)

Filesize: 3.67 MB

Reviews

This book is so gripping and fascinating. Of course, it is actually perform, still an interesting and amazing literature. You will not feel monotony at anytime of your respective time (that's what catalogs are for about in the event you request me).
(Prof. Ophelia Wiegand I)

Grijalbo, Mexico, 2012. Paperback. Condition: New. Language: Spanish . Brand New Book. Bebes, ninos, adolescentes y adultos invisibles pasan de largo por la vida sin ser vistos. No se sienten parte del mundo ni se sienten integrados con quienes lo habitan. La invisibilidad es uno de los mas dolorosos estados que un ser humano puede experimentar. Lamentablemente, esta invisibilidad se origina en el lugar donde el nino deberia sentirse mas protegido y amado: el hogar. La indiferencia de los padres lleva al nino a sentirse ignorado, inseguro y abandonado. Para protegerse, el nino ignorado desarrolla inconscientemente estrategias que en un principio le ayudan a aminorar la frustracion y el dolor, pero que a la larga se convertiran en un problema. Pero, cuanta atencion necesitan los ninos?, como saber si la que se les esta dando, aunque parezca mucha, en realidad es inadecuada o insuficiente?, como desandar el camino de invisibilidad al que sin querer los hemos orillado?, que hacer con nosotros mismos si, ya siendo adultos, seguimos arrastrando las secuelas de la indiferencia? Acompaname por las paginas de este libro para aprender como otorgar a nuestros hijos de cualquier edad uno de los mas grandes regalos de amor: ser vistos. ENGLISH DESCRIPTION Invisibility is one of the most painful states that a human being can experience. Lamentably, this invisibility originates in the place where children should feel the most protected and loved: their homes. A parent s indifference leads children to feel ignored, insecure, and abandoned. To protect himself, the ignored child unconsciously develops strategies that at first help him to reduce frustration and pain, but in the long term they become a problem. But how much attention do children need? How can we know if the amount we re giving them, even if it seems like a lot, is...
