Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Voyager Books,U.S., United States, 2006. Paperback. Condition: New. Gris Grimly (illustrator). New edition. Language: English . Brand New Book. Bella Legrossi is the messiest monster in all of Booville. Her slime is the slimiest and her grime is the grimiest. Alas, she is neighbours with Boris Kleanitoff, a persnickety ghoul so tidy he vacuums his vampire bats. What could ever bring these two together? It will take a Halloween party like no other - a full creature-feature of beasts, ghosts, and creepy-crawlies, and some of the fanciest dance moves since Morrie Mummy shook a leg clean off. So grab a mug of ghoulish drool and join the fun! Wicked wit Carolyn Crimi and illustrator Gris Grimly have put their heads together (along with a few they found in the graveyard) and cooked up the funniest, funkier, and out-and-out freakiest monster mash you've ever seen!.
