By William Cranston Lawton

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Ideals in Greek Literature The present volume undertakes to set directly before the student a series of masterpieces which, ever since their creation, have appealed powerfully to lovers of art and truth. When interest in the best works has been aroused, more detailed study becomes a delight. The materials for such study are indicated quite copiously in the notes at the close of each chapter. Meantime, only what has seemed absolutely necessary in the way of general introduction and elucidation has been offered. In the classical Greek literature, from the Iliad to Moschos's lament for Bion, there is felt a certain unity, for in it is reflected, and idealized, the life of one remarkable people. The Greeks had already taken possession of the shores and islands of the Aegean sea at least three thousand years ago. This excitable, jealous, often cruel, but wonderfully gifted type of man appears from the first fully conscious of his diversity from the surrounding barbarians. The Hellenes were the most artistic of races; most sensitive to harmony, whether in form,...
