Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Mathematical Theory of Electricity and Magnetism The range is very approximately that of Maxwell s original Treatise, but the present book is in many respects more elementary than that of Maxwell. Maxwell s Treatise was written for the fully-equipped mathematician: the present book is written more especially for the student, and for the physicist of limited mathematical attainments. The questions...
