Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book presents the message for the achievement of A New Vision through the Awakening and the tools available to achieve such awakening. It presents the fact of how the personality should transform its Attention/Identification from The Egoic Center to the Christ Aspect within itself. Also as a note toward awakening we have tried to make emphasis about the Mother Earth as a living and intelligent being, a concept, which is not presented in some religions. We have included the theme of the obstacles and barriers presented by the ego, both, in terms of the individual as in the collective aspect and the damage it has caused and still is causing to humanity. The book also addresses the theme that we are not alone in the universe, contrary to many traditional teachings. We have also presented the theme that mankind is in front of a threshold leading to an evolutionary change in its collective consciousness. We have touched the theme on the Illusion that affects the personality and the conditioning process that nurtures such illusion. We have addressed the theme about the ego s reeducation process. The book presents the topic about the integration process between the Soul and the personality. We have addressed the theme of the Essential Unity both, in the individual and on the collective level of humanity. The theme of the Peace Within has been addressed, as well, the theme of A New Knowledge, of A New Responsibility and of A New Mission for the human being at an individual level and for humanity at the collective level. This book describes a path toward within the human being through which we can achieve Self-Realization. The book presents a...
