Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Love and Hate, or the Court of Charles I: An Historical Drama, in Four Acts King Charles I. His crown, and afterwards his life, are but used secondarily, to further the development of the plot; and if, in picturing the ?ight of the Court from Whitehall, I have departed in some measure, in the minor incidents, from the historical description - though not in such a ?agrant manner as to leave the absurdity exposed, even to a superficial observer I have found it necessary so to do, both for dramatic effect, and the fur therance of the story. Concerning the Secret Society, introduced in the third act, it will su?ice to say, that such a tribunal, hidden from the vulgar eye, actually existed in England at that period, bearing a close resem blance, in a romantic point of view, to the Vehm gericht of Westphalia. It is believed by some, that Cromwell was an adherent of this Tribunal; and that the germs of that rebellion which later desolated England, first arose among its members. However, be that as it may, a society of that nature suggested itself to me, as the most dramatic means an unprincipled woman could employ to compass the destruction of her rival; and, finding that such a body existed, not only in the nusub stantial realms of imagination, but also in the records of reality, I determined to introduce it, as novel on the stage. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
