Brand New Book ***** Print on Demand *****.This book describes the journeys of three friends on the near west side of Chicago as they sell fruits and vegetables from the back of a horse and wagon.They are also working for the Mafia distributing Heroin and reporting each night to the Mafia Don. As they travel they discuss some of the key points from the Vedanta Sutras: What is God, why the truth about reality is so difficult to know, and more. Recent writings about Yoga have been direct describing the extent of our conditioning and how God is nothing more than the consciousness that makes each of us able to know life. Andrew A. Kenny has practiced and studied Yoga and Buddhism for forty years. He is a long time member of the Theosophical Society in America and of Mensa, the high IQ society. He is a graduate of the University of Illinois with a bachelor s degree in Theoretical and Applied Mechanics and has had a long career in product development with 20 patents issued. He also has Asperger Syndrome that led him to Yoga in an effort to relieve the stress of working in a modern corporation while fighting his tendency to avoid social situations. Eventually anxiety and depression medicine were required. Being a writer is a natural result of Asperger Syndrome. Practicing Yoga for long hours is also a way to avoid social situations.
