## BEYOND KNOWING

Dorrance Publishing Co. Paperback. Condition: New. 70 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. God is real, and God is still speaking to us. God still uses various modes and methods to communicate with us, including the Bible, dreams, visions, circumstances, and other people. Very often we do not listen, or sometimes we even refuse to believe there is actually a God. Beyond Knowing is based on the personal dreams, visions, and Bible readings of Tia Rose. Some occurrences from her dreams, visions, and Bible readings have already occurred. Tia finally made the decision to share some of her personal experiences with a view to convince others that God exists and is still speaking to us. About the Author Tia Rose enjoys readings, events, and proceedings that require further thoughts and/or actions. Her love of reading began at an early age, beginning with mysteries and drama. Participating in Bible quizzes at her church and sporting activities at her school are also memories that are a part of her earlier years. Tia's career choices grew out of a desire to assist people wherever possible. Her initial career choices as library assistant and secretary at the local college enabled her to continue to provide needed services for others. She later transitioned to a career in human resources management, having attained a degree in Business Administration, with a major in human resources, from the Florida Atlantic University. Dedicated to the Memory of: Rev. Aaron Alfred III and Pem. Emmie Eleanor This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
