THE RECIDIVIST: ADDICTED TO REHAB: A SHOCKING NOVEL ABOUT ALCOHOLISM, REHAB, AND REDEMPTION. (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Recidivist is a satirical assessment of alcoholism, rehab, and redemption. A dark and often humorous journey through the rehab experience, with a stark perspective on the nature of addiction and trauma and the difficulties in sustainably addressing both. Through the retelling of other patient s stories, the protagonist moves through the treatment regime of an idyllic rehabilitation center set in the Arizona desert. Feeling part high-school and part prison, the patients try to deal with what haunts them through varieties of therapy, medication, spirituality, short-lived romances, rule defiance, or relapses into old habits. Without judgement or saccharine positivity, this book doesn t sugar-coat the harsh realities of real-world outcomes or preach advice. It feels like a painful and honest snapshot of one man s experience, broadened by the stories of those around him. This book is guaranteed to instill empathy toward those struggling with addiction. The Recidivist: Addicted to Rehab is an enlightening read for anyone who wishes to gain perspective on mental issues, rehabilitation, or simply life in general.
