Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. -Stocks Are For Rich Wall Street Bankers. I Can t Afford To Trade. Right?- Wrong! Once only offered to high-end investors, sophisticated trading platforms and services are now available to practically anyone with an Internet connection and smartphone, but what are the best and cheapest options for the average investor? Whether you are new to stocks or been trading for a while, How To Trade Stocks Cheap offers real-world, easy to understand, and fast result methods for lowering or eliminating trading costs and protecting your hard earned money. Unlike many books that focus on how to find a life changing stock pick or state-of-the-art trading formula, How To Trade Stocks Cheap is a simple straightforward guide to practical money saving techniques by someone who has actually used them. From eliminating trade commissions to finding powerful free trading tools this book answers a wide range of common stock trading questions such as: -How much money do I need to start trading? -Do I need special trading equipment and will it cost a lot? -What are the best free trading tools? -What brokerage types are there and what do they charge for? -What are hidden fees and how do I find them? -What are all the order types and can they save me money? -What are the best times to trade stocks for better returns? -How do I trade stocks commission free? -How are my gains taxed and how do they affect my liability? -What are trading risks and how do I reduce them? -How can I capture profits and how do I protect them? -What is a trade plan and how do I use it? -And much more!.
