Scholastic Ltd. Jan 2018, 2018. Taschenbuch. Condition: Neu. Neuware - Owen, Javier and the rest of the Last Descendants teens uncover their destiny in this epic third book in the trilogy based on the hit Ubisoft videogame. The stunning conclusion to the Last Descendants Trilogy! Only one piece of the Trident of Eden remains. Isaiah, a rogue Templar agent, has discovered both the faith prong and the fear prong of this powerful relic. Should he possess the devotion prong, there is little that can stop him. For the time being, Owen and his fellow teens have established an uneasy alliance across Assassin and Templar lines in order to stop Isaiah while they still can. Over a thousand years earlier, Styrbjorn the Strong, a Danish warrior, leads the Jomsvikings against the Danish king, Harald Bluetooth. It is on those Viking battlefields that the secrets of the devotion prong lie. It is there that the fate of the world, the truth behind the teens' collective unconsciousness and their ancestral links to one another lie. History has already been written. The rest is up to Owen, Javier and the other members of their unlikely alliance. The actions they take will change the world of Assassin's Creed forever. 355 pp. Englisch.
