Paperback. Book Condition: New. Paperback. 56 pages. This story will be picking up from the story the Power of Brainwashing then the power of Manipulation come after. Is America in a serious crisis, inflation and nuclear disaster from another country that might release radiation linkage that will spread and could reach America soil Do the American people take problems serious enough, or is it that we was not train to be conditioned to deal with serious problem Was it because our policy makers feel that they can secure the problem before it get out of hand, or is it that the policy makers think it will panic the citizens and might create a more serious problem Maybe because our life been in a relax dont worry about nothing state of mind, and it might have brought a lot of problem in our life that we did not see because it came in the after affects years later that we might have thought it was created from something else. Why is it that the American people are not prepared for serious problems like an invasion of the country, or a civil disturbance, or a nuclear disturbance that might set the country back for years, was it because we were not prepare for something like that is our leaders to head strong in how they think the country should be ran, because they have advisers who are staying up to date on all situation that are happening to the country Can we the people trust their advisers with our life, when we see to many problems occurring every day So who will we depend on if its not them because I do not think that the people are ready to take their problem in their own hands, and if we are ready how would it happen, or what...
