

Cellar of Horror (Paperback)

By Ken Englade

St Martin s Press, United States, 1992. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. Serial killer Gary Heidnik s name will live in infamy, and his address on North Marshall street in Philadelphia will always be tainted with memories of depravity and death. What police found in Heidnik s home was an incredible nightmare made real. Four young women had been held captive-some for months-half-naked and chained. They had been tortured, starved and repeatedly raped. But more grotesque discoveries lay in the kitchen; human limbs frozen, a torso burned to cinders, and empty pot suspiciously scorched. Cellar of Horror is the shocking true account of a self-proclaimed minister, with a long history of mental illness, whose bizarre plan to create his own baby factory preyed on the susceptible and the retarded. It is a macabre web spun around the twin aspects of money and religion, tangled with courtroom drama and lawyers tactics, sure to send a chill to the centre of your soul.
