If SF Publishing, United States, 2015. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. Poetry. With photography by Joan Scott. Claire Scott's great accomplishment is in knowing how to make poetry out of every part of her life. Scott's a poet who knows all the dance steps, but is never confined by any one of them, able to tease her own unique electricity out of ordinary human experience where grief and despair, joy and happiness, tragedy and comedy co-exist, where every word comes to new life and means something that it's never meant before. "A brilliant, eccentric, unique voice with a range that encompasses childhood violence and a God who comes to therapy. These are poems that will be read over and over again as a seismograph of our time." Kim Chernin "Just a note to let you know how much I love your poems, and appreciate your work. That you highlight and embrace the messiness of life in all its heavenly madness, is indeed challenging yet, helps us live a little closer to the truth." Linda Van Leuven "Claire Scott's poems are very well made. Familiar with the mad,...
