Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My first writing experience came in 1998 when I entered a cover contest for Style Weekly, a local publication in Richmond, Virginia, and won. God spoke to me each month as I opened my heart and mind to His voice to deliver these messages. I hope that you will find a stirring of the soul as you flip through the pages on any given day. This will be a book that you can pick up at any time and find healing and encouragement for your situation. It has truly been a labor of love and a test of my endurance to write each month, as well as a journey of growth and total dependence on God. Only His infinite wisdom and guidance could have made it possible. Thank you, God, for the gift of writing and the person that I became when I had nowhere else to turn but inside myself. The articles were therapy for me each month as I struggled with my own issues...
